For County Attorney.

Fellow Democrats of Powell County:

I have been a citizen of your county for twelve years, and never in that time have I asked office at your hands. I would not at this time but for the many solicitations I have had to become a candidate for this office.

I have always known that the public officers of the county belonged to the people, and should I be elected to this office I can feel that I am a servant of the people. I therefore submit to your consideration my fitness for the office.

I hold no other position that will conflict with my duty. I can and will give my whole time to your interests. If elected, my aim will be small salaries, low taxes and a fair and equitable administration of the affairs of the county. Equal justice to all; exclusive privileges to none.

I am yours for your support, and for your much needed interests hereafter as a tax burdened people. M. A. PHILLIPS.

Russell-Adams.

Mr. Robert Russell and Miss Hoyt Adams, both of this city, were married in the presence of a number of friends in the parlor of the Red River Hotel Wednesday afternoon Aug. 17, Rev. R. A. Irvin officiating.

The bride is the lovable daughter of J. W. Adams, proprietor of the Red River Hotel, while Mr. Russell is a promising and rising young man. Soon after the ceremony they left for a visit to Frankfort and Louisville where they will remain for a few days.

Williams-Clemons.

Mr. John Williams and Miss Lillie Clemons both of the Virden neighborhood were married at the home of the bride's father, Mr. John Clemons, Wednesday afternoon, Aug. 17, 1904 by Rev. R. A. Irvin. They are prominent young people of their neighborhood and have the best wishes of a host of friends.

Curious Coincidences.

Curious coincidences mark the lives of two women who married Dr. A. T. Knox, of Bowon, Powell county, Ky. One is dead, the other living with her husband. Both women were named Alice, both removed to Kentucky when 8 years of age, and each bore him three children. The father of each wife is dead, the mother of each wife is living and each is named Ann. The parents of each wife had nine children—four boys and five girls—each wife has three brothers names are exactly alike. One wife was

born in North Carolina and the other in Virginia. One was the eldest of nine children and the other the youngest of nine children. Three children of Dr. Knox are living and three are dead. The wives were intimate friends.—Kansas City Journal.

Kimbrell.

Willie Tuttle, son of John W. Tuttle, fell off a horse and broke his arm last week.

Born, to Thos. Clem and wife Saturday, August 6th, a daughter—christened Fannie.

Mrs. Cynthia Embs is visiting her daughter, Mrs. John W. Henderson, near Iron Mound this week.

Mrs. Newton Abney and adopted Miss Dena Embs, of Kiddville, were visiting relatives near this place last week.

Mr. and Mrs. M. G. White-man, of Irvine, visited Mr. and Mrs. W. G. Patrick the first Saturday and Sunday in this month.

Rev. J. O. Crawford will preach at Jackson's Chapel next Sunday the third, instead of the fourth Sunday, the regular preaching day.

Rev. J. O. Crawford went to Cedar Grove church near Irvine last Monday to assist the pastor, Rev. W. B. Ragan, in a revival meeting at that place.

Are You far Sighted?

Must you hold the book or paper at arms length to get the proper focus. If so a careful examination now and the use of proper glasses will set you right. There is worse trouble ahead if you fail to note warning. W. T. WEBB, Optician.

The Show is Coming.

Sun Brothers' World's Progressive Railroad Shows will soon be here in all their own grandeur and splendor, showing on Thursday, August 25, Clay City, Ky.

Among the array of talent with this excellent amusement establishment, we note the great Equilibristic Wonders, the two Sun Brothers, known all over creation as originators and exemplifiers of the most intricate and dextrous acts of arenic sports, creme de la creme Juggling, Balancing, Wonder-workers; in addition to this famous duo, we also find Miss Ella Alfonda, the intrepid equestrienne; Mr. Dan Leon, the principal summersault rider; Master George Sun, the young jockey pony rider; Prof. Ed. Kraut, trick ponies, six in number; Mlle Fernandez and her school of educated dogs, cockatoos and carrier pigeons, the great leaping dogs, Rox and Betts; Mlle Stall on the spinning and revolving globe, up spirals and inclines; Mlle Leon on the high wire; Mlle Sebastine on the flying cloud rings; Les Freres Obiene, the three musical comedies; the Brothers Marion in puzzling acts of contortion; Billy Reed, the clown; and many other great and distinguished novelties and features of which space forbids mention. This is surely the biggest show on the road and one that everybody can attend. The parade takes place at 11 a. m. Doors open at 1 and 7 p. m. Performance commences one hour later.

The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.
